FOSTP is the volunteer support group for Santa Teresa County Park. We act as ombudsmen between the park and the surrounding neighborhood. We plan to request the councilmember's support for:

- a. Widening the dangerous bottleneck on Curie Drive west of Bernal Intermediate School.
- b. Completing the Santa Clara County Parks and Recreation Department's Rancho Santa Teresa Historic Site Master Plan at Curie Drive and San Ignacio Avenue.
- c. Our Teresa Spring/Manila Drive to Manila Way Connector Trail Project.
- d. Our local neighborhood National Night Out – August 1th to be held at the Bernal-Gulnac-Joice Ranch site in Santa Teresa County Park or at a nearby city park.
- e. More police patrols to prevent home and car break-ins, vandalism, and illegal drug use in our neighborhood.
