

Help Select a Neighborhoods Commissioner for District 2

Neighborhoods Commissioners make recommendations to the City Council regarding the quality of life in our community. Only Neighborhood Groups can help select candidates for Council consideration.

Please register up to three (3) members of your group to listen to and select commission candidates.

*For 2016, two (2) seats in City Council Districts 2, 4, 6, 8, and 10 are available, with a term ending June 30, 2020**

**Two commissioners are nominated from even- or odd-numbered Council Districts through a neighborhoods caucus process every two years, with nominations forwarded to the City Council for ratification and appointment.*
