

Please join us for the
Flash Mob Litter Roundup
Sunday May 22, 2011 at 2:00 PM

As part of the Great American Cleanup™ in California, McDonald's restaurants in San Jose are partnering with Keep California Beautiful (KCB) to create the first-ever Flash Mob Litter Roundup. Local McDonald's will provide locations for volunteers to meet up and participate in litter roundup/collection in public spaces near their restaurants.

For each location, we are looking for individuals or groups from local neighborhoods to make a difference by joining us for one hour (or less) at **2 p.m. Sunday May 22, 2011.**
