

COMMUNITY OPEN HOUSE

WHO: Santa Clara Valley Water District
WHAT: Informational open house - OPEN TO PUBLIC
WHEN: Wednesday, March 14, 2012, 4 - 8 p.m.
WHERE: 5700 Almaden Expwy., San Jose, 95118

GET TO KNOW YOUR WATER DISTRICT

Flood Protection

Water Supply

Stream Stewardship

Help celebrate National Groundwater Awareness Week by joining us for an open house anytime between 4 and 8 p.m. and get to know your primary water resources agency for Santa Clara County. In addition to informing the community about our valley's original water source - groundwater - this casual event will provide the general public and neighbors with insight on the various aspects of water delivery, water treatment, water conservation, water supply, flood protection and environmental stewardship. Information tables will showcase various water district operations and services. Tours of the Los Alamitos percolation pond and Guadalupe River fish ladder as well as water magic and short demonstrations for children are included as part of the event's festivities.

RSVP at rsvp@valleywater.org or call 408.265.2607, ext. 2880. Children are welcome but must be accompanied by an adult at all times. Light refreshments will be available. Free parking. Electric vehicle charge stations available.
